Schuylkill County Fair Premium Book is Available

Fair (premium) books will be arriving at your door step shortly according to Denise Kennedy of the Schuylkill County Fair. Denise is busy labeling and sorting the fair books for mailing. If you exhibited in last year at the fair then you will be receiving a fair book. The book is fresh off the presses. The cover in neon yellow is a farm scene with the Schuylkill County Fair Logo. This represents this year's theme which is "Treasure the Memories of Our Roots." The Fair's logo represents the 31 years that we have been rooted in the community. Check out all the new exhibits, activities, contests and entertainment lined up for this year fair in premium book. Extra printed premium books are placed in business establishments though out the county. So pick up your fair book locally and come to the Schuylkill County Fair July 28 through August 2 and "Treasure the Memories of Our Roots". If you are interested in exhibiting at the fair and can't get a hold of a premium book then look on line to view the premium book and down load an application to enter your exhibit in the 2014 Schuylkill County Fair. You may also contact Denise Kennedy at 570-527-0294 or email her a request at typdenpa@juno.com For the very latest on the fair go on line at www.schuylkillfair.com or like us on Facebook and follow us on Twitter.
