CMS Announces Special Enrollment Period in Federal Exchanges

Gar Thomas | Washko & Thomas, LLC | (570) 952-4591 | garthom@ptd.net

The Centers for Medicare & Medicaid Services ("CMS") announced on February 20, 2015 a special enrollment period for individuals and families who did not have health coverage in 2014 and are subject to the "shared responsibility payment" when they file their 2014 taxes in states which use the Federally-facilitated Marketplaces ("FFM"). This special enrollment period will allow those individuals and families who were unaware or didn't understand the implications of this new requirement to enroll in 2015 health insurance coverage through the FFM.

For those who were unaware or didn't understand the implications of the fee for not enrolling in coverage, CMS will provide consumers with an opportunity to purchase health insurance coverage from **March 15 to April 30**.

Those eligible for this special enrollment period live in states with a Federally-facilitated Marketplace and:

- currently are not enrolled in coverage through the FFM for 2015,
- attest that when they filed their 2014 tax return they paid the fee for not having health coverage in 2014, and

- attest that they first became aware of, or understood the implications of, the Shared Responsibility Payment after the end of open enrollment (February 15, 2015) in connection with preparing their 2014 taxes.

If a consumer enrolls in coverage before the 15th of the month, coverage will be effective on the first day of the following month.

Many state-based Exchanges are offering an extension as well. Below are the special enrollment periods for the California, Connecticut and New York state-based Exchanges:

California: February 23 through April 30

Connecticut: April 1, through April 30

New York: March 1 through April 30

This document is designed to highlight various employee benefit matters of general interest to our readers. MAY 13—PENN'S PEAK TRIP TRIBUTE TO ELVIS

Join us as we travel to the beautiful mountaintop entertainment facility, Penn's Peak. Enjoy a family-style lunch including Penn's Peak's signature pot roast and all non-alcoholic beverages. After lunch, we will see Mike Albert's "Ultimate Tribute" show. It has become known worldwide for the respectful portrayal of the late Elvis Presley. Mike won several major world "Elvis" contests, and demand for his shows resulted in putting together a seven piece Big "E" Band, to emulate the sound Elvis' band had in the Vegas shows and on tour.

Mike's powerful voice lends itself well to every type of Elvis' music - 50's, 60's and 70's rock and roll and love songs, as well as gospel, he sings it all. Since Elvis had so many hits, Mike makes it a point to keep the show fresh with an ever-changing song line-up! Call Dina for Information.
