How Can I Get My People to “Think Like Me?”

presented by

Wayne Herring, Jr.

What would
my boss do?????

Wednesday, June 24, 2015

8:30 a.m. to 10:30 a.m.

Schuylkill Chamber Conference Center

Union Station

1 Progress Circle, 2nd Floor, Pottsville

This is a class for business owners, CEOs, Presidents, family business owners, VPs, Managers....anybody who has “people” and a “team”. If you want to lead your people to get bigger results or generate more revenue, or just generally remove AGGRAVATION from your life – then this class is for you.

- Do you struggle with people that “just don’t get it?”
- Do you wish people were willing to sell a bit or tell others about your company when they are “off the clock”?
- Do you tell people what to do and then get frustrated when they seem to quickly forget?
- Do people do the strangest things and you struggle to understand why?
- Do you wish people took some ownership in your company the way that you do?
- Do you wish that your people knew how much time, effort and risk you put into the job for them?
- Do you feel “stuck” and wish you had more (elusive) free time if only people did their job and worked like you?
- Does your team get distracted and lack self-motivation and drive?
- Do you often feel like “if you want something done right, then you have to do it yourself?”

Cost is \$50 for Chamber members and \$100 for future members.

Reservation deadline is Monday, June 22, 2015.

(Reservations canceled after Friday, June 19, 2015 will be billed.)
