# KIM BOWERS

Artist Meet & Greet  
Thursday July 2<sup>nd</sup>  
6:30PM – 8:30PM

After the many trials and tribulations in the journey of life, growing up in Hellertown, Pennsylvania, Kim Bowers found a way to use her art as a way to connect with herself and others as a means of self-expression. She found a deeper sense of healing, an almost therapeutic element, within designing, tattooing, and painting original conceptual art. She sees Beauty in the darker things and enjoys bringing them to light. Some of her pieces came to her like a revelation upon meditations and shamanic drumming, where some are merely things that she enjoys and move her. Art can help on many different levels; a way of opening up and healing the soul...
