We, Tamaqua Volunteers community initiative group, are holding our monthly Donation Drop-Off and Free Tamaqua Community Giveaway event on Saturday, August 30, 2015.

We are asking residents to drop off ALL TYPES of household items; to include small or large appliances, furniture, beds, toys, tools, clean clothing, clean bedding, household items and so on. The only items not accepted are televisions older than 5 years, computer monitors and printers.

Please only donate clean and odor-free items. Anyone can donate.

Event is only open to residents with a 18252 zip code due to the limited items.

Sorry, donation pick-up, storage and delivery IS NOT available. Thorn's Cycles and ATV's of Tamaqua is donating the land and storage facility for the event. Recent fire victims are priority.

In case of bad weather, the event will be held the day after, on Sunday, at the same times.

For more information, call coordinator Andrew Leibenguth anytime at (570) 668-1234.
