Lace Scarf

Fun project for either the beginning lace knitter or the seasoned knitter.

It's knit using a DK weight yarn so no worries using tiny knitting needles. Plus it's a great pattern to learn how to read from a chart.

Knitted Kritters

Not native to the U.S. until now is the adorable hedgehog! That is the knitted version! It's knit using a DK weight yarn with straight and DPN needles.

Exciting Upcoming Events

Scoreboard KAL

Slated to kick off on September 3rd, 2015, it will allow fans to capture their favorite football team's season in the form of a hand-knt cowl. Our store will be supporting Penn State, the Eagles, and the Sea Hawks. And for any hockey fans we're going to make some adaptations for the Flyers ;-) We'll also have the opportunity to win special prizes from Skacel! Join us for this fun knitting adventure!

DIY Knit-cessories

Using decorative miniature knitted needles by Addi paired with coordinating yarn, create a remarkable piece of knitted jewelry. Added to this is a design competition for your piece by Addi. See additional information at our shop.

Bradley McAloose-Eagle Scout Designee. Bradley has been working toward earning his Eagle Scout goal for many years. He has researched Peace Poles and decided since world peace is an important issue for himself, the boy scouts, the community and the world, to erect a Peace Pole and dedicate it to the community of Tamaqua. The pole will be registered with the International Peace Pole Society for the world to view.

Peace Poles are internationally recognized symbols of the hopes and dreams of the entire human family. There are tens of thousands of Peace Poles in nearly every country in the world dedicated as monuments of peace.

Poles all over the world stand vigil in order to represent peace on earth. Each pole displays the message: "May Peace Prevail on Earth."-In four different languages: English, German, Italian, and Gaelic.

Bradley will lead the Boy Scouts from Troop 777 in the final erection of the pole and dedication in order to demonstrate his leadership abilities.

Brad believes the Peace Pole will be a constant reminder for the community to represent a peaceful attitude regarding any situation they may face.

Invitation: The Tamaqua Boy Scouts Troop 777 would like to welcome all to come to the community to celebrate the International Day of Peace. The pole is positioned on route 309 in front of the Tamaqua Train Station. Attendees should gather rain or shine-around the Peace Pole by 6:30 P.M. September 21, 2015-for a moment of silence for community and world peace.
