# EXPANDING YOUR AUDIENCE

Presented by The Tamaqua Area Chamber of Commerce and the Tamaqua Community Arts Center

## Facebook Page Building Workshop

Facebook is still a hot social media tool and it can be used for free. Thousands of people in our community use it, and they each have friends that share what they see. Your potential audience could literally be in the 10's of thousands! Learn how to create your own free Facebook page, the right way!

During this session you will be able to create your Facebook page live. You will also learn which settings will work best for you. After your page is made and your settings are tweaked, you will learn how to customize your page, upload your own pictures and edit them.

Once your basic page is complete, we will show you how to expand your reach by creating events and posts that will draw interest to your page. Plus, you will have experienced personnel there to answer any other questions you have about your page.
